

Cultural Awareness & Workplace Diversity

Understanding the basics of cultural awareness and the need for sensitivity in the workplace enables employees to have a better appreciation for people who are different from them. It allows employees to enhance their relationships, improve communication, and create more synergy within the team.

In this session, you will learn:

- What culture is and how it develops
- The dimensions of culture, including religion, race, and ethnicity
- Barriers to inter-cultural communication and how to avoid them
- Simple ways to practice Cultural Sensitivity at work

Let our Leadership Expert “open the door”
to a better understanding of Cultural Awareness
with a 60-minute or 90-minute session on this topic!
